The International Symposium „60 Years existence and development of the Faculty of Forestry in Skopje and 35 years of the Department for Wood Technology“ will take place on October 24th – 26th 2007, at the Faculty of Forestry in Skopje, supported by: Ministry of education and science, Rector’s Office of University „Sv. Kiril i Metodij“ and Ministry of agriculture, forestry and water resources.

The Faculty of Forestry in Skopje is established in 1947, together with the Faculty of Agriculture, as one institution Faculty of Agriculture and Forestry. Since 1975 it exists as independent education and research institution and member of the University „Sv. Kiril i Metodij“ in Skopje. In 1972 the Department for wood technology is established.

Symposium issues:

• SUSTAINABLE FORESTRY – PROBLEMS AND CHALLENGES
• PERSPECTIVES AND CHALLENGES IN WOOD TECHNOLOGY

The costs (incl. hotel accomodation) will be precised in the second information (May 2007).
